Social Assistance

Social Assistance Cheques are scheduled for: **Thursday, June 2, 16 & 30, 2022.**

Available to be picked up at the Band Office while following Covid-19 protocols.

Applications are available at the Reception desk at the Band Office.

ATTENTION SOCIAL CLIENTS: Nova Scotia Power Bills

It has come to the Social department's attention that some clients are having problems submitting Power bills for payment to the social department in a timely manner. Any social client can call NSPC at 1-800-428-6230 and request that they email me (margaretphillips@eastlink.ca) a current copy of your power bill for payment.

Thank you for your cooperation.

Attention: New Millbrook First Nation Members Under 19 Years of Age

For Millbrook First Nation members under the age of 19 years, the Millbrook Enterprise Credits are placed in a trust fund. When Millbrook members reach the age of 19, they must apply to Millbrook First Nation to have their Millbrook Enterprise Credit money released from the trust. The application form can be found at <https://www.millbrookband.com/s/Millbrook-Enterprise-Trust-Fund-Credit.pdf>

Please note that as of April 2020, Millbrook First Nation does not automatically receive all information on new registered members so that means that new members under the age of 19 years are not guaranteed to be added to the minor's trust list.

Please contact Priscilla Martin at priscillamartin@eastlink.ca with your name, date of birth and band number so that we can add you to the minor's trust list. Once you have been added to the minor's trust, no further applications are necessary until you reach 19 years of age.

If you are aware of any other new Millbrook First Nation members, please contact Millbrook First Nation.

Millbrook Deer Harvest

The Consultation department is interested in holding a deer harvest in the fall to help address the overpopulation of deer in Truro and surrounding area. The harvest would take place within the reserve boundaries, so safety and efficiency will be paramount.

We are looking for experienced hunters and harvesters to participate in a community-based committee to help define how the hunt will roll out.

If you are interested email Consultation@MillbrookBand.com or call (902) 809-1309.

Seeking Historic/Archived Millbrook Photos

Millbrook First Nation is seeking for old photos to be showcased in Millbrook's buildings like the Community Hall, Administration Office, and Senior Centre. We are looking for old team photos, family photos or historic locations.

Please contact Nigel Gloade Communication's Officer at (902) 324-3379 or

e-mail: communications@millbrookband.com

Millbrook's Newsletter Deadline - Monday, June 20th, 2022

The deadline is the 20th of each month.

Send your content to: communications@millbrookband.com,

Be sure to include ALL relevant information (including the who, what, when, where, why and how to find out more) and be sure to submit it in advance of the event date (the earlier you share the better).

Please ensure its in an editable format.

We Are Taking Names for Energy Efficiency NS Home Assessments Phase 5!

Millbrook First Nation is continuing its involvement in the Energy Efficiency program working to make Millbrook's homes more comfortable and energy efficient by keeping valuable heat inside.

Would you like your home assessed by Energy Efficiency NS in the Spring?

If so, please email Lorne Paul at lornepaul@eastlink.ca and please provide the following information in the email:

- ✎ Name
- ✎ Address
- ✎ Phone number and email address
- ✎ What is your current heat source?

Once we have these details, we will add your name to the list for the phase 5 assessments.

Heat Pump Cleaning

Please contact Eshaan at EcoLogic Heat Pump Solutions Ltd for a deep heat pump cleaning. Eshaan can be contacted by phone at 902-957-0661 to schedule an appointment, at no cost to the Millbrook First Nation home owner.

Home Insurance

Millbrook First Nation's insurance covers the structural costs of CMHC houses and band-owned homes on reserve. Please note that the contents inside the homes, including the appliances, are not insured by the First Nation. It is important to protect your belonging and one way to do that is to consider purchasing home insurance for the contents of your home. This became apparent after the recent flooding of basements that occurred in Millbrook's communities last month. If Millbrook members are interested in home contents insurance, they will be responsible and it will not be covered by the First Nation. Questions? Please reach out to Millbrook's housing department.

Millbrook's Security Services

Millbrook's security team is responsible for keeping Millbrook's community safe and secure. They work around the clock and are on call 24 hours a day. Their duties include patrolling the neighbourhoods of Millbrook and Cole Harbour because having a physical presence in the community is a deterrent for minor damage or other unsavoury activities. They are trained to identify unusual activity and pay attention to detail to reduce risks to the community. In addition, they observe and report suspicious activity that may be criminal.

If a community member is in danger or witnesses criminal activity, it is important that they call 911 or the local Millbrook or Cole Harbour, Sheet Harbour detachment of the RCMP. Please note that the security team cannot report incidents on your behalf.

Millbrook Bike Rodeo

I just wanted to say a big thank you to everyone who showed up and took part in the Bike Rodeo and BBQ! Thanks to Millbrook Bylaw/ Security, RCMP, and all the volunteers. Especially for our sponsors/donations from Councillor Chris Googoo, Councillor Garrett Gloade, Councillor Ward Markie, Councillor Dana Sylliboy, Matt Cope, Justin Gloade, Millbrook First Nation, and an Anonymous donor.

The Bike rodeo had over 100 children participants. The children learned about bike safety with the RCMP and Security. The Security Team had given out 30 bikes, 25 helmets, and multiple other prizes via draws and also donated five guardian angels (LED lights) to our RCMP members for Police Safety week.

This event wouldn't have been as epic if it wasn't for these generous donations. It takes a community to make things happen.

Thanks with much love and appreciation - Noel Brooks Manager of Community and Public Safety.

Frequently Asked Questions – Housing Assessment Project

Q1. What is a visual condition assessment?

A visual condition assessment is a walkthrough of your home by a qualified buildings inspector with the goal of identifying building conditions that could cause a health and safety hazard to the occupant, a building code compliance infraction or general maintenance issues in the home. The inspector will be taking photos to document the inspection to accompany a report that will be generated on behalf of the First Nation. We will be looking at the exterior and interior of your home.

Q2. Will I receive a copy of the final report?

The final reports will be made available to the occupants through the community housing director. These reports are the property of the First Nation and cannot be shared by a third party (CMM).

Q3. What will this data be used for?

The housing assessment project will be used to assist the First Nation in the management of their housing stock. The data will provide communities with independent, current, and information-based housing conditions for all First Nation Owned housing units. The data collected during these inspections will assist your community in the prioritization and allocation of the annual housing budget.

Q4. Will my information be shared with external groups?

Your data is owned by the First Nation. Individual reports, photos and details will not be shared with our Federal Government partners or other external organizations. CMM follows OCAP principals. This project is for use by your First Nation management team only.

Q5. Is there anything that I should do to assist the inspection team prior to them arriving at my home?

If you have dogs, they should be housed in a secure location while the inspectors are in your home. Otherwise, you do not need to prepare anything!

Q6. What if the original scheduled time does not work for me?

Please let your community housing manager know, and your home can be scheduled at a later date.

Q7. What COVID precautions will your inspectors be using as they enter units?

1. CMM inspector will be testing regularly throughout the project.
2. CMM inspector will be providing community members with a screening questionnaire to minimize exposure from community.
3. CMM will be working with the housing manager to gauge the risk level in community throughout the project.
4. CMM inspector will be wearing an N95 style mask when entering units and maintaining a high level of sanitation throughout the process.
5. If the occupant has COVID 19 related concerns, please communicate that with the housing manager and CMM and provide additional measures or postpone your inspection.

If you have any other questions, please email your housing director or Thomas Bucher tbucher@cmmns.com.

CEC INDIGENOUS YOUTH GROUP

The CEC indigenous Youth Group is planning a trip to the Museum of Natural History and the Art Gallery of Nova Scotia on Thursday, June 9, 2022. The youth group currently consists of Millbrook First Nation students, Indigenous students, and allies from CEC. The group has been brainstorming a variety of ideas that would help to empower them and strengthen their sense of identity. The group has decided that this cultural trip would be transformational for them to view various history collections and artistic representations of the Mi'kmaq first hand. One of the exhibits at the Art Gallery is called "Where rivers meet, *Ta'n a'sikatiki sipu'l | Confluence*", and "encourages an ongoing dialogue about connection and exchange." As a way to raise funds we are looking for sponsorship or donations in support of this event. Please email the group at CECIndigenousYG@gmail.com if you would like to donate.
