ATTENTION SOCIAL CLIENTS: Nova Scotia Power Bills

It has come to the Social department's attention that some clients are having problems submitting Power bills for payment to the social department in a timely manner. Any social client can call NSPC at 1-800-428-6230 and request that they email me (margaretphillips@eastlink.ca) a current copy of your power bill for payment.

Thank you for your cooperation.

Millbrook Deer Harvest

Millbrook's Bylaw and Consultation department will be coordinating a deer harvest this month to help address the overpopulation of deer in Truro and surrounding area. The harvest would take place near the reserve boundary, where William Barnhill Drive and Industrial Ave. intersect.

- Safety and efficiency will be paramount.
- We are looking for experienced crossbow shooters to participate in our community-led harvest.
- We hope to start October 24th.

If you are interested email Consultation@MillbrookBand.com or call (902) 809-1309.

Millbrook's Newsletter Deadline - Thursday, October 20th, 2022

The deadline is the 20th of each month.

Send your content to: communications@millbrookband.com,

Be sure to include ALL relevant information (including the who, what, when, where, why and how to find out more) and be sure to submit it in advance of the event date (the earlier you share the better).

Please ensure its in an editable format.

Housing Policy

Dear Millbrook Community Members,

The Housing Department has been working collaboratively with The Confederacy of Mainland Mi'kmaq on the Housing Policy for several months. The next step will be hand delivering copies of the working Housing Policy draft document to the community. One copy of the policy will be delivered to each household and a copy will be posted on the Millbrook First Nation website. We please ask that you review the document, and if you have any concerns or suggestions on how we can improve the policy, to please contact Chantel Langille at clangille@millbrookfn.ca.

Housing Repairs Announcement

Please be advised that any housing repairs must be approved by the Housing Department before any work is started, if you wish to receive reimbursement.

If you have any questions, please feel free to contact me by phone or email.

Heat Pump Cleaning

Please contact Eshaan at EcoLogic Heat Pump Solutions Ltd for a deep heat pump cleaning. Eshaan can be contacted by phone at 902-957-0661 to schedule an appointment, at no cost to the Millbrook First Nation home owner.

Home Insurance

Millbrook First Nation’s insurance covers the structural costs of CMHC houses and band-owned homes on reserve. Please note that the contents inside the homes, including the appliances, are not insured by the First Nation. It is important to protect your belonging and one way to do that is to consider purchasing home insurance for the contents of your home. This became apparent after the recent flooding of basements that occurred in Millbrook’s communities last month. If Millbrook members are interested in home contents insurance, they will be responsible and it will not be covered by the First Nation. Questions? Please reach out to Millbrook’s housing department.

Housing Inspections

The Housing Department has been working collaboratively with other organizations with the hopes of obtaining funding for housing repairs. In order to be eligible for the housing repairs, housing inspections will be mandatory for the funding.

Those who contact the Housing Department to be added to the list will be first priority, but it’s mandatory for all houses to be inspected. Anyone who doesn’t answer the door for their scheduled appointment will be put to the end of the list.

Please contact Krista Paul at kpaul@millbrookfn.ca or by phone at 902-890-2518 to be added to the housing inspection list, if you need to reschedule your appointment or if you have any questions.

Millbrook R.E.C.C. Family Skate - Sunday Mornings

Sunday morning ice times at the R.E.C.C. starts at 8-9 am, October 9, 16, 23, & 30.

Millbrook’s Security Services

Millbrook’s security team is responsible for keeping Millbrook’s community safe and secure. They work around the clock and are on call 24 hours a day. Their duties include patrolling the neighbourhoods of Millbrook and Cole Harbour because having a physical presence in the community is a deterrent for minor damage or other unsavoury activities. They are trained to identify unusual activity and pay attention to detail to reduce risks to the community. In addition, they observe and report suspicious activity that may be criminal.

If a community member is in danger or witnesses criminal activity, it is important that they call 911 or the local Millbrook or Cole Harbour, Sheet Harbour detachment of the RCMP. Please note that the security team cannot report incidents on your behalf.

Tobacco Update

It has come to attention of Millbrook First Nation that some store owners in Millbrook and Cole Harbour are selling unregulated cigarettes and tobacco. Millbrook First Nation has an agreement with the Province of Nova Scotia to sell tobacco out of our Tobacco Store located at the back of the Band Administration Office. Over the years, Millbrook First Nation has also approved quotas for private store owners. Currently there are nine private store owners that have designated Tobacco Retail Vendors permits to sell regulated tobacco from Millbrook Tobacco Store as supplied from Sobey's TRA.

The profit from tobacco sales through Millbrook's store is paid directly to every Millbrook Band member in the form of partial funding for the bi-annual Treaty grants and direct funding for such things as sports, recreation, and other health related programming. As community members are likely aware, there are established processes in place to apply for these funding programs.

Since the unregulated tobacco has been being sold in the community, Millbrook's profit has taken a significant hit. The loss to Millbrook's tobacco profit has exceeded over \$440,000.00 to date. If this downward trend in profits continues, Millbrook will continue to lose money and it will have to contemplate capping and reducing Treaty grants, sport and recreation, health, and other supports that are provided directly to all band members.

Millbrook has made the store owners aware of this situation by providing them with an update letter. The message for store owners selling and community members buying unregulated tobacco is to please consider the impact to community as a whole.

Also, please note that sales to "Status" Indigenous people from other communities is again allowed at Millbrook's Tobacco Store.

Millbrook First Nation Emergency Management Operations (EMO) Update on Hurricane Fiona Efforts

OVERVIEW OF EMO:

The EMO team is responsible for emergency planning and coordinating emergency responses. The team works with municipal authorities to help plan for emergencies, coordinate resources when there is an emergency and helps with analysis and evaluation after an emergency. EMO have regularly scheduled meetings regarding mitigation and preparedness and planning for response and recovery in the event of all types of emergencies based on our communities high risk hazards such as hurricanes, wildfires and pandemics.

HURRICANE FIONA:

Before:

- EMO staff and volunteers delivered flyers and education on what a 72 hour preparedness plan looks like and delivered water in case of power outages.
- The team attended regular briefing sessions with the provincial government and other First Nations Emergency Management coordinators to ensure it was current with what was happening around the province that would affect our communities.
- Prior to the storm, EMO team contacted internal departments of housing, infrastructure, maintenance and health to ensure that resources would be ready to go if needed.
- Millbrook's Community and Safety Team were fully engaged in both the planning and execution of the response.
- The team checked its current agreements with service providers and made sure phone numbers and contacts were updated.

During:

- EMO meetings took place at the Health Centre with RCMP and the

EMO Committee to discuss potential hazards and areas of concern.

- EMO conducted regular checks on community infrastructure until it became to unsafe to be on the road at approximately 3:00 AM Saturday morning.
- 7:00 AM Saturday Morning landfall - EMO representatives in all Millbrook communities began assessing, cleaning, prioritizing the needs of the communities.
- Power was out for approximately 80% of community households, so door-to-door safety checks on Elders began on Saturday afternoon with the help of Health Centre staff and EMO staff
- A comfort centre in Millbrook opened at 4:00 pm on Saturday for hot tea/coffee and device charging. The comfort centre remained open until Thursday because at that time 95% of community households had power in Millbrook.
- Satellite communities were assessed again Sunday at which point Beaver Dam and Sheet Harbour were provided with more drinking water.
- Hundreds of trees in all of our communities were broken or damaged and hazardous trees were marked as priority to be removed and cleaned up based off the teams safety priority list.
- EMO committee members and volunteers worked tirelessly to have these trees and hazards removed to ensure people could safely leave their homes.
- Millbrook's EMO team maintained continuous communication for Provincial and Federal EMO updates.
- Tuesday and Wednesday Chief Bob Gloade, Executive Director, EMO members, and the entire finance team prepared Fiona relief cheques for those in the Atlantic so they would be available for disbursement on Thursday and Friday for community members. The administration apologizes for those households that were missed in this process and has been working to add any missing names to the list.

After:

- Unfortunately, there are still some community members without power so EMO is working to assist the families by providing generators, fuel, funding for groceries and safety checks.
- Debriefing with EMO partners in Atlantic Canada.
- Chief Bob Gloade was in contact with Nova Scotia Power representative multiple times regarding the affected satellite communities and very strongly and relentlessly advocated for our members without power.
- EMO and volunteers loaded up trucks and large vehicles with groceries and supplies to provide relief for neighbouring First Nation communities that were hit very hard by the hurricane.
- An account was initiated at the Irving in Sheet Harbour for households without power to get fuel for generators.
- Housing department staff continue to evaluate community member repair requests and are prioritizing based on safety and seniors.

Millbrook First Nation would like to thank everyone who came together during this emergency event. We would like to thank the volunteers, Chief and Council, staff and all of the tree cutters who worked in dangerous conditions to ensure the community members were safe as well as the delivery drivers who were out on hazardous roads to ensure everyone had the things they needed. Jileen Julian did an exceptional job managing the comfort centre providing comfort, warmth, safety, tea, coffee and food. A special thank you as well to the drivers who provided transportation for the smaller communities and of course all of you community members who came together to help your friends and neighbours, proving once again Millbrook's care, unity and resilience.

Sincerely,

Colin Bernard, Head of EMO and Lauren Coady, OHS

The poster features a dark purple background with a large, stylized silhouette of a scarecrow on the left. The scarecrow has a glowing jack-o'-lantern for a head with triangular eyes and a jagged mouth. It wears a tall, pointed hat and has its arms outstretched. A crow is perched on its left arm. In the background, there are silhouettes of flying bats and a wooden fence at the bottom. The text is arranged in a clean, modern font, with the main title in large, bold, orange letters with a white outline. The dates and registration information are in white text.

Welcome to the Team

Hi, my name is Maddie Bernard and I'm excited to announce that I am the new Community Support Navigator here in Millbrook First Nation. In this role I will offer support to community members in a wide range of areas while working closely with both the Health Centre and programs run out of Millbrook's Administration. I will assist and advocate for individuals and families in navigating challenging systems, and can connect members to appropriate resources and services. This includes but is not limited to housing, addiction services, mental and physical health supports, food security, cultural support, children and family services.

A member of Sipkne'katik First Nation, I was born and raised in Truro and recently graduated from Dalhousie University with a Social Work degree. I have an undergraduate degree in Child and Youth Studies from Mount St. Vincent University and experience working with children, youth, and families in a variety of different settings. I am excited to combine this experience with my passion for social work and working with Indigenous communities. My hobbies include playing volleyball, going to the beach, and spending time with my family and friends!

Nitap Day

Nitap Day we celebrated on September 22, 2022. Each class were able to go to the Millbrook gym to play on the bouncy houses with their friends. After the bouncy houses each class came back and had a pizza party in their classroom with all friends. Each class did different activity, Crafts, Movies, etc.

- Original receipts and attached proof showing the item or service, the recipient's name, a current mailing address, and the amount requested are required for reimbursement to Millbrook band members for things such as prescriptions, dental, physiotherapy, etc. If you do not submit an original receipt, your reimbursement may be delayed until we receive the original receipt. Before buying it, we recommend that you call the Health Centre to find out if the item or service will be reimbursed.
- The Code of Conduct posted at the Health Centre states that any abuse of staff will not be tolerated. Health centre staff are often verbally abused. Verbal abuse includes yelling at staff, swearing at staff, and making racist or other negative comments to staff. If you participate in verbal abuse of staff, you will be sent a warning letter and if that behaviour continues, you will be banned from services at the health centre for a period of time. The health and safety of our staff is important as they do their best to take care of you.
- Ambulance bills are covered by Non-Insured Health Benefits (NIHB) for status First Nations people. Please include your band number on the bill and send to Emergency Health Services (EHS) or NIHB as soon as you receive it or drop it off to the health centre and we will fax it to NIHB for you. Keeping the bill and assuming that it's been paid could result in you receiving a warning letter from Emergency Health Services (EHS) about an overdue payment. Thank you, Millbrook Health Centre
- Appointments to see the nurses, nurse practitioner or doctors are required at the health centre. These staff are usually booked for the day and may not have time to see you without an appointment. We are closed from 12:00 p.m. to 1:00 p.m., so please do not drop in to see them right before lunch hour. If you are having a medical emergency, call 911.
- Mask wearing continues to be required at the Millbrook Health Centre. Mask wearing is important to prevent the spread of Covid 19 to patients and health centre staff. Only those with a valid medical reason for not wearing a mask can be unmasked while receiving services at the health centre. Those refusing to wear a mask will be asked to leave.
- Covid19 vaccines are available for Millbrook band and community members. Please call the health centre to book an appointment for first, second, and booster doses.

Thank you, Millbrook Health Centre
